### 4. Business tabled from November 27<sup>th</sup>, 2018 Board of Directors Meeting

#### 4a. The Special and Temporary Nullification of The Staff Hiring Policy Relating to Temporary and Part-time Staff, Volunteers, and Elected Officials

Motion Moved: Dang Seconded:

Whereas the Scarborough Campus Students' Union has a responsibility to update its policies to meet all legislative requirements on the organization,

Whereas the SCSU, stands alone in UofT's full time undergraduate student unions for not having a policy on Workplace Violence, Harassment, etc,

Whereas the SCSU currently has a policy to only allow executives to discuss staffing and human resources,

Whereas staff related issues are something that board of directors are concerned about,

Whereas a policy on Workplace Violence and Harassment is a policy that affects part-time and temporary staff members as much as it affects elected officials,

Be it resolved that the clause surrounding staffing be effectively annulled pending the introduction of such policies that affect all temporary and part time staff, elected officials, and all those in between,

Be it resolved that, like some other students' unions, SCSU commit to publishing the Collective Agreement on the SCSU website, that unionized staff are subject to,

#### 4b. Ratification of First Year Directors

Motion Moved: Brayianis Seconded:

Be it resolved that Gaby Fraifer and Devesh Juneja be ratified as First Year Directors for the 2018-2019 fiscal year.

#### 4c. BOD Socials

Motion Moved: Dang Seconded:

Whereas, to this day, the board of directors have yet to see and experience a team social,

Whereas such a request was made in the summer months by multiple board of directors,

Whereas team socials and gatherings are crucial towards the development of teamwork, collaboration, communication, and more,

Be it resolved that, the board of directors implement one social gathering per month, open to board and executives,

Be it further resolved that the responsibility of deciding what the social activity for the month is, is determined collectively as a board, but narrowed by the executive committee,

Be it further resolved that any such resources to make an activity accessible be made available to members,

Be it further resolved that future boards follow the guidance that this motion sets as an example of good governance.

#### **4d. Executive Report**

Motion            Moved: Brayiannis            Seconded:

Be it resolved that the Executive Report be accepted as presented.

#### **4e. Directors Updates**

#### **4f. Other Business**

##### **a. Review of Canada Not-for-Profit Act**

##### **b. Media Accreditation Motion**

Motion            Moved: Dang            Seconded:

Whereas the recent days have shown the entire campus can be misled on important topics relating to their lives,

Whereas the foundation of democracy rests upon a marketplace of ideas that are not incorrect or invalid,

Whereas students rely on their fellow student journalists to accurately report the truth and hold power to account,

Whereas sensationalism in journalism has led to the decline in trust towards institutions of democracy,

Whereas the students deserve better reporting from currently “accredited” student media,

Whereas such student media have been abusing their positions as disseminators and aggregators of information by misrepresenting the reality of the situation,

Be it resolved that the SCSU adopt an ad hoc committee on media accreditation to study, reaffirm, or deny accreditation and recognition of legitimacy from student media,

Be it resolved that this committee be made of the Vice President Operations (chair of the committee), Vice President External, and three directors chosen by this board,

Be it resolved that the committee on media accreditation dissolve no later than January 1<sup>st</sup>, 2019 if immediate action is taken,

Be it resolved that the committee on media accreditation dissolve no later than April 30<sup>th</sup>, 2019 if no action or meetings are called between the submission of this motion and the next board meeting,

Be it resolved that the committee decisions are permanent for the rest of the academic year,

Be it resolved that a call for student media to submit their request to be recognized, between the passing of this motion, and December 4<sup>th</sup>, 2018 at 11:59pm,

Be it resolved that the committee meet between December 5<sup>th</sup>, 2018 and December 7<sup>th</sup>, 2018 to discuss the applications and whether to accept or deny them,

Be it resolved that a google form shall include all the representatives who seek to cover the SCSU

Be it resolved that the SCSU adopt the Canadian Association of Journalist's ethics standards as guiding principles for the deliberation of the committee.

**c. Male Washrooms Motion**

Motion            Moved: Syed (Director)            Seconded:

Whereas male standing stalls are a staple component of most male washrooms.

Whereas the standing stalls in the student center are situated quite low on the wall resulting in many men's private parts exposed when using these stalls.

Whereas the standing stalls ideally should be higher on the wall, but restructuring them may be expensive.

Be it resolved that the SCSU invest in the installation of barriers between each standing stall in the male washrooms of the student center.

Be it further resolved that the SCSU investigate other male washrooms around campus that have a similar issue (SY washroom) and advocate for a similar solution as mentioned in the earlier clause.
