

Scarborough Campus Students' Union Policy Manual

OPERATIONAL POLICY – Gender Parity Speaking List

Adopted on October 25, 2013

Preamble

It is important to recognize the need for equity and to ensure all genders have the opportunity to participate and have active voice at all Union meetings. The Union recognizes that the gender parity speakers list is not the final or absolute way of tackling and unravelling power dynamics in meetings. The Union shall maintain a gender parity speaking list at all SCSU meetings.
