OPERATIONAL POLICY – Mobile Phone Allowance

Adopted on July 12, 2013

Preamble

It is important and expected that Executives of the Union are available throughout their term. With technological enhancements, it has become clear that mobile phones are essential in order to remain accessible to members and the Executive and staff of the Union. Executives, then, are essentially required to be in possession of a mobile device and utilise it for work purposes when out of the office. Subsequently, it is logical that the Union subsidise a portion of Executive mobile phone expenses on a monthly basis.

The Union will subsidise mobile device expenses for each Executive of the Union on a monthly basis up to a maximum of \$50.00 CDN per month unless otherwise determined by the Board of Directors
