The SCSU commits to hiring students to help enrich their experiences and provide professional development.

CAMPAIGNS & ADVOCACY

Introductory Meeting with Reuben from DSL
On August 8, VP Equity had meet with the new coordinator for the Community Engagement Coordinator, Reuben. Reuben wants to be able to work with SCSU and BSA’s to support events for the Black community on campus as well as getting them more engaged with programs like IMANI. We will be meeting more for future events.

Sexual Violence Coalition Meeting
The Sexual Violence Coalition consists from the 5 Student Unions across the three campuses along with SBA. We held this meeting to discuss what steps, as student organizers we could take to have more student consultations that are more accessible and more engaging.

Sexual Violence Committee Meeting
The Sexual Violence Committee had its 7th meeting to talk about Sexual Violence Prevention and how we will see this at orientation. VP Equity included how there will be consent programming during orientation and what that programming includes.

Fight the Fees Task Force Meeting
The first Fight the Fees Task Force meeting was on Wednesday July 27th at 4:00 pm in SL 232. This is an opportunity to get together with UTSC students and have open conversations about how the Fight the Fees campaign will look like on our campus but also, to discuss the national day of action. We also had a follow-up meeting on Wednesday August 24th at 4:00 pm in SL 232 which had a bigger focus on how to include the Fight the Fees campaign into Orientation. If you want to get involved with this campaign or want more information, feel free to contact Sitharsana Srithas at external@scsu.ca.

Toronto Action Coalition Meeting
On Thursday July 28th, a couple of executives from SCSU attended the second Toronto Action Coalition meeting, which consisted of student union executives and staff from the Greater Toronto Area, to discuss how to better implement the Fight the Fees campaign on our respective campuses and how to get involved during the Labor Day parade. If you want to come to these meetings, feel free to contact Sitharsana Srithas at external@scsu.ca.

Inter U of T Meeting

Your Campus, Your Space
SOS, SELF, WT*C and SCSU have come together to create a more accessible and student driven consultation on the Sexual Violence Policy that is being drafted. We realized that is the consultations that were held by the Provost office were inaccessible and an intimidating environment. This will be done on September 27, in response to the first draft of the policy that will be released.

Preamble

Creating an environment that is built from an anti-oppressive framework, that is equitable and inclusive is a priority of the Scarborough Campus Students’ Union. The Union will ensure that all programming hosted by the Union is free of harassment and discrimination. This will be done by acknowledging that inherent power and privilege exists in society and by declaring the collective responsibilities we have in ensuring that any form of discrimination will not be tolerated.

Equity Statement

The following statement shall be read aloud during the opening address of all meetings and events:

“As members of the Scarborough Campus Students’ Union, mutual respect, cooperation and understanding are our goals. We shall neither condone nor tolerate behaviour that undermines the dignity or self-esteem of any individual or creates an intimidating, hostile or offensive environment.

It is our collective responsibility to create a space that is inclusive and welcomes discussion. Any form of discrimination and harassment will not be tolerated. Hate speech rooted in, but not limited to, anti-Muslim, anti-Semitic, sexist, racist, classist, ableist, homophobic, or transphobic sentiments and/or remarks will also not be tolerated. We all have an obligation to ensure that an open and inclusive space, free of hate is established. Any behaviour that does not demonstrate an understanding of these principles and/or creates an unsafe atmosphere will not be tolerated.

We work towards ending systematic and institutional violence, by including Indigenous people in our collective decision making for social justice and equity. As settlers in Canada we have directly benefited from colonization and genocide of Indigenous people of this land. In order to engage in resistance and solidarity against injustices inflicted on Indigenous people, it is imperative we constantly engage in acts of decolonization. The first thing is to acknowledge that we are on the traditional territory of the treaty of the dish with one spoon, the Anishinaabe of which the Mississauga of New Credit peoples are a part of, and the Haudenasaasnee, the people of this tradition territory. I would also like to pay my respect to their elders past and present, and to any who may be here with us today, physically, mentally, emotionally, and spiritually.”
