UPDATE - SCSU Operations / Student Centre
It has been a busy few months for the SCSU and the Student Center with all things operations related.

Campus Express closed its doors on December the 13th and INS Markets took over the premises on the 16th. Campus Express was not interested in renewing their lease as a part of a longstanding strategy by the UofT Press to wind-down its Campus Xpress operations. Xpress provided for a suitable incoming vendor to take over its location (INS) which has agreed to offer products at or below Xpress prices and other newer services while maintaining student jobs.

Over the break, the SCSU took on much needed renovations by revamping the bamboo floors of both the food court and the second floor. This is a part of an annual maintenance that will hopefully maintain the look and feel of the food court.

The SCSU, as a part of the PANAM Centre referendum was given a kiosk. This kiosk is near opening and should begin to operate as a mini front desk in the first week of February. We are looking at operating hours of 10am to 4pm as a start but will adjust our operations as demand dictates.

UPDATE – Rex’s Den
Over the holiday break and continuing until March, Rex’s Den has seen and will continue to see a LOT of changes. The changes have been across the board and can be broken into two pieces: aesthetics and service.

With respect to ascetics, the Den now boasts new lighting, two arcade machines (removed the basketball game), renovated floors, HD TV’s, new booths, upgraded table and couch and chair bottoms to prevent scratching, new host station, and new Date Night and 5-for-5 menu, and a TV at the entrance to showcase specials. There are still a few items yet to be done. New table tops are expected in March along with table top sign holders. Further, we will be looking to install a 60” TV with complete surround sound in the Lab to meet the AV needs of students along with an HD projector for the stage side. Further, art work will be installed in each booth and around the restaurant in addition to signage that will be place inside and outside the student center. All these upgrades come on the heels of upgrading our small ware (plates, forks, knives, spoons, and bowls) over the fall semester.

With respect to service, we have implemented a service standard where the time from order to food-on-table takes no more than 20 minutes on a consistent basis (standard in industry). Second, we did have a huge hiring and staff restructuring in January which is expected to continue until mid-march. During this period round of
hiring will be following by ample training and staff reductions to improve our current team. This training is currently being reinforced by not only our Rex’s Den Manager but the SCSU Operations Coordinator and Executive Director with committed supervision from the VP Operations. As always, customer service will be a prime focus of our service adjustments and we will need the help of students to evaluate the progress of our team.

**Rex’s Den Events**

1. **Superbowl @ The Den (Feb. 1st):** Who says you have to play in the Superbowl to win?!? We will be hosting a superbowl tailgate event at Rex’s Den on Feb. 1st at 6:30pm. This event will be a great way to see a fantastic matchup along with some great prizes. **PRIZES INCLUDE:** 40” SMART TV, Five $100 Visa giftcards and many giveaways throughout the game. Make sure to bring your friends and cheer on your favorite team.

2. **Jeopardy Nights:** will be hosting a jeopardy night to ensure that students get some time to relive their stress. This event will happen twice in the Winter semester: one for DSA’s and another for Residence. Each event will provide each team with some prizes as well as a FREE nacho platter. We are more than happy to partner with groups on campus to host more of these nights. Please contact events@therexsden.ca if you are interested in creating your own jeopardy night.

3. **#TasteTheDen:** Taste the Den happened on Jan. 6th in the meeting place. This event showcased the new menu that Rex’s Den has been offering in the Fall semester. It was an event that was attended by students, faculty, staff and administration. Over 500 samples were given out. We are happy with the positive responses and buzz it has generated.

4. **Deals:** We aim to lower the stress on the student budget while at the same time making Rex’s Den profitable. Here are some delicious offerings:
   a. **Date Night:** For $40 dollars, you and your significant other can enjoy a Monday or a Friday night (after 5pm) at the Den on options that include two appetizers, two entrees, and a dessert. If you are flying solo, you can get the deal for $25.
   b. **Group of 5 Deal:** Bring yourself and 4 of your friends to Rex’s at any time and get 5 appetizers, 5 specialty drinks for only $50 for the whole crew.

5. **Wired In Wednesday:** Every Wednesday, Rex’s Den partners with the SmashBro’s club as well as the Video Game Society to host a video games night at Rex’s Den. This is an event we hope to continue each week. Bring your friends and destess in YOUR student pub.

6. **Open Mic Nights (Tuesdays):** Every two weeks, Rex’s Den partners with Fusion Radio to bring your open mic nights. The open mic nights are a great way to showcase UTSC’s talent as well as exploring some off campus flavors in the areas of spoken word, bands or any other talent.

7. **Retro Pub Night (March 5th):** We are in the process of planning a retro pubnight, 90’s theme on March 5th. This is the FIRST EVER pub night the Rex’s Den will host. We hope to take you for a ride on memory lane through some awesome 90’s tracks.

**Services Commission**

As a part of a motion in AGM that approved the creation of the Services Commission, one of the primary goals is the review the service delivery model of the SCSU and provide opportunities for students to clearly voice their views on how we can best serve them. As a part of this commission, we will be releasing a services survey shortly. This review will look at a whole host of issues, including: our operating hours, front desk sales, clubs services, utilization of the PANAM centre and more. Please contact operations@scsu.ca if you would like to get involved.
EXECUTIVE REPORT
Board of Directors Meeting #10 of the Scarborough Campus Students’ Union
Friday January 30th, 2015 | 7:00pm | SL232, UTSC Student Centre

**Tax Clinic**
Each year the SCSU hosts the tax clinic to help and teach UTSC students on the importance of filing their taxes. This year, with the help of our committed Tax Clinic Coordinator, we have already hired 10 Sr. Associates, and are on pace to hire 50 Jr. Associates. This year the clinic will be held during March 2nd until March 13th. We will also be open on the Saturday to be more accessible for students.

**Student Jobs**
It has been a mission of the SCSU Executives for this year to put student jobs at the forefront of our hiring practice through all of our operations. Currently, we are one of the biggest employers of students on campus. In 2015, we have offered positions in SCSU (36), KFC (8) and Rex’s Den (15). We continue to operate in a mandate of encouraging vendors in the student centre to hire students in their operations; a strategy adopted by INS.

**Finance Subcommittee**
With the creation of the SCSU Services Commission, we will now be absorbing the finance committee into the Services Commission to reiterate the need for a unified forum for students to address any concerns and voice their opinions about our finances, operations and offered services. The commissions will aim to meet once a month.

**SCSU Meeting Rooms**
During the exam period, the SCSU opened the meeting rooms for student study space. It was a very underutilized services. However, we will look into opening them up for study space during midterm season as well as the final exams. The custodial demands on the student’s center would be too great to make this a year round occurrence but we will look to see if the pressure on UTSC facilities staff that service the Student Centre could be relieved.

Furthermore, the last of the meeting rooms, SL-219, has now been equipped with AV equipment, rounding out the AV upgrade in the student centre. This upgrade of AV services in all of our meeting rooms has received a positive response from the student groups that utilize the spaces for various purposes.

**SCSU Front Desk Hours**
In the Fall semester, we reintroduced late hours on Wednesday nights to better service our members. In alignment with other student services at UTSC, we will continue to stay open until 7pm. Past data shows that students are frequently using this time to purchase tokens and ask general questions from matters ranging from our Health & Dental plan to how to get around the campus.

**Health and Dental Plan Review**
In pursuit of operating our largest service with the utmost care, we will be conducting a review of our current provider and shopping around during February and March. This is a part of a longstanding commitment to ensure that students are getting their money’s worth. The Request for Proposal will reach aim to maximize student dollars.

**Elections**
Elections are fully underway. We will be holding an Executive Candidates Forum on February 2nd (day before elections) to ensure that students are given the space to voice their concerns and candidates are given the opportunity to speak about their plans for 2015-2016.

SCSU Income Statements – November and December Operations
As it is customary, the SCSU provides monthly income statements in an effort to be transparent about our operations. The income statement can be found in Appendix 1. Below are some highlights:

- Recovered Orientation expense from DSL totaling $85,310 in November
- Collected just over $99k for administration of the Health and Dental plan to ensure continuity
- Provided just under $17k worth of clubs funding to clubs (yet to be recorded)
- Will provide Rex’s Den renovation costs on the next board report

Hot Water Machine (Student Centre)
We met with Uoft administration in regards to how we could go about proving a hot water machine in the student centre safely. They specified some safety mechanisms that we must incorporate. Safety was a huge issue after some very real concerns were brought up at the AGM. We are currently getting quotes from various companies for industrial grade hot water machines as well as consulting with relevant departments about where we could go about placing said machine.

In the meantime, we would like to remind students that vendors in the students centre (Treats, Asian Gourmet and INS Market) will continue to provide free hot water to students provided that you bring your own bowls or cups.

Council on Student Services (CSS)
The Council on Student Services is a majority student body responsible for discussing ways of improving student life at UTSC. Students opposed all budget increases, saving a total of 14.63 per student, per session.

Get Heard: Program Accessibility Campaign

The last 3 DSA Councils have focused on the development of the program accessibility campaign, passed at the most recent SCSU AGM. A survey and testimonial campaign is under development. DSA’s have been organizing academic concerns nights to inform a supplementary report to this data collection. If you or anyone you know would like to be part of this campaign, please contact academics@scsu.ca.

Changes to Academic Regulations

The SCSU has been working together with the Vice-Dean’s office on Academic Calendar changes. Changes that have been proposed include:

1. Can now get credit for a prereq you took AFTER the course that required it.
2. Can no longer receive a BA or BSc using your minors (Must only be based on Specialist/Majors)
3. Co-op Majors can now take two minor programs.
4. A, B, C, D levels will now be identified as 100, 200, 300, and 400 courses.

A call for feedback was opened to the student body in which a recommendation report was created for administration. The recommendations were also brought to DSA council where 13 DSA’s gave their input. All feedback will be taken to administration on January 26, 2015. Please contact academics@scsu.ca

Events & Programming

UTSC on ICE

On the last day of fall exams, SCSU held the annual UTSC on ice event. This was to make sure students had an opportunity release their exam tension and skate on the Natrel rink in downtown Toronto. The event was organized in collaboration with the UTSC athletics department and the UTSC Hockey team was also present to help beginners learn how to skate.

Winter Week of Welcome

The winter week of welcome happened through the second week of the winter semester from the 5th of January to the 8th. There were a series of events that took place in the student center throughout the week.

Day 1 – There were over 500 free pancakes given out for free during the hours of 10am to 1pm

Day 2 – There was an open mic night held at Rex’s Den from 5pm to 10pm. There were about 15 performances that took place throughout the night. This event was a huge success and the students were very happy with the event. There were also free hot beverages including flavored gourmet coffee and hot chocolate for all students that were at Rex’s den for the event.

Day 3 – The student center was turned into a gaming zone as we held our first ever game day at UTSC. This event was held with the collaboration with 2 student clubs and was a huge success with a huge turnout.

Day 4 – Due to much demand by the students we held our first Karaoke night of the year inside Rex’s Den on this day. There was a good turnout for the event, however the event had to be cut short due to some technical difficulties we faced with the projector.
Student Center Party: Views from the borough

The 10th Anniversary of the Student center will be celebrated with a huge party in the Student center with 2 floors, 2 bars and 2 different types of music. We decided to follow a birthday theme and the student center will be decorated accordingly with balloons and streamers. We are expecting to house over 400 people and host performance of several live music and DJ acts.

Montreal Reading Week Trip

The SCSU is planning our annual winter reading week trip to Montreal. The prices and contracts have been finalized and we are currently accepting forms and payments at the front desk. The trip is a 3-night/4-day trip and the price includes transportation, accommodation and entrance to the clubbing events. There will also be day-excursion available through the travel agent for an extra cost.
1. **CALL TO ORDER**
   The meeting is called to order at 4:15 pm.

2. **ANNOUNCEMENTS**
   None

3. **APPROVAL OF THE AGENDA**

   **MOTION**
   Moved: Chowdhury        Seconded: Faysal

   Be it resolved that the agenda for the December 12th, 2014 SCSU Board of Directors meeting be approved as presented

   **CARRIED**

4. **EQUITY STATEMENT**
   Azraq reads the Acknowledgement of the Lands, emphasizing that we are on the traditional lands of the people and it important to pay our respect to all elders, past and present.

   Azraq further reads the Equity Statement reminding everyone about the importance of mutual respect in creating an inclusive and welcoming place. Hostile environments will not be tolerated and everyone has an obligation to establish open and hate-speech free space.

5. **APPROVAL OF THE 2015 WINTER GENERAL ELECTIONS SCHEDULE**

   **MOTION**
   Moved: Chowdhury        Seconded: Anwar

   Be it resolved that the following dates be approved for the 2015 Winter General Elections Schedule:
   
   - Campaign Period: January 21, 2015 – February 5, 2015

   **CARRIED**

6. **AMMENDMENT OF OPERATIONAL POLICY - ELECTIONS AND PROCEDURES CODE**

   **MOTION**
   Moved: Chowdhury        Seconded: Parikh

   A few amendments to the Operational Policy of Elections and Procedures Code are applied.

   The Elections and Referenda Committee will be empowered to:
   
   1) *Attend the all candidates meeting*
   2) *Oversee the logistics of the elections and the final CRO report*

   The CRO is like an arms-length person, responsible to oversee the elections. They are exempted from being an executive or board member.
Amir raises a questionable point as to why this is problematic. The board of directors do not ratify the results of the election. The board only ratifies the report and it cannot alter the results of the elections. Hence, Chowdhury amends to strike the second amendment.

**AMMENDMENT TO STRIKE - Oversee the logistics of the elections and the final CRO report**

**MOTION**

Moved: Chowdhury  
Seconded: Nehrin

Chowdhury amends to strike “Oversee the logistics of the elections and the final CRO report” to avoid directors being fired just based on a number of votes from the board.

Be it resolved that the amendment stating, “Oversee the logistics of the elections and the final CRO report” be stricken.

**CARRIED**

The subsection “Campaigning” has been amended with the following:

1) Cross campaigning is allowed only between consenting candidates for executive positions in the election governed by this Code.

m) Campaigning on University of Toronto Scarborough Campus grounds (UTSC) for executive or director positions can only be completed by members of the Scarborough Campus Students’ Union

They strictly forbid outside of campus individuals coming to Scarborough Campus grounds to campaign for any candidate. Social media campaigning is allowed.

Further, the subsection “Voting Process” is amended by adding:

e) All sealed and empty ballot boxes shall be stored in a location to which no other individual student, administrator or Elections and Referenda Committee official other than the CRO would have access to. Locations may include but not be limited to the Ombudspersons Office or campus security. The ballots will be removed by the CRO when the vote is to be counted.

Be it resolved that the Operational Policy – Elections and Procedure Code, subsection “Elections and Referenda Committee” be amended such that the Elections and Referenda Committee will be empowered to:

- Hire a CRO.
- Recommend election dates to the Board.
- Publicize important election dates and information.
- Oversee logistics of the elections.
- **Attend the all candidates meeting**
- Study the recommendations of the CRO and ensure they are fully considered; review good practices from previous elections and be responsible for implementing any recommendations approved by the Board.
- Secure office space outside of the SCSU offices for the CRO to work.
- Members of the Elections and Referenda Committee are not permitted to seek office with the Union and must remain neutral during the election process.
- *Oversee the logistics of the elections and the final CRO report*

8. AMMENDMENT OF OPERATIONAL POLICY - SUBMISSION AND ADOPTION OF UNION POLICY

MOTION

Moved: Chowdhury  Seconded: Azraq

The submission and adoption of union policy has been amended with the following:

*The Policy & By-Laws Committee will meet to consider proposed policy not more than three (3) weeks following its receipt.*

Bashir asks if everyone is sure they want to change a 4 weeks notice to 3 weeks notice.

A discussion follows.

The issue raised with this amendment is that if the individual was supposed to submit an amendment for the policy, they would have to do it the first week they get back on campus to make sure its feasible.

However, Mulatu further says it looks at students’ perspective and not the comfort of the board. It is almost like governing council, you have to think about it extremely early and plan ahead. The idea of having a timeline is to make sure everyone is able to meet.

Be it resolved that the Operational Policy – Submission and Adoption of Union Policy be amended to:
Any member, commission, committee, Director or Executive may submit policy to the Policy & By-Laws Committee.

The Policy & By-Laws Committee will meet to consider proposed policy not more than three (3) weeks following its receipt.

The Policy & By-Laws Committee will submit a recommendation of adoption or defeat of the proposed policy to the Board of Directors for final approval.

MOTION

Moved: Chowdhury  Seconded: Chen

The Operational Policy – Postering Policy has been amended.

The amendment is as follows: The SCSU Internal Coordinator may at any time refer poster content to the SCSU President and/or the SCSU Vice President Operations for approval.

To emphasize, it used to say the SCSU Internal Coordinator may refer poster content to the SCSU director but now it has changed to the SCSU President.

It is further amended: Emergency or regulatory notices to the community containing “need to know” information about an urgent issue regarding facility or security shall be temporarily posted on bulletin boards in high traffic areas. The posting of such emergency or regulatory notices shall be approved by the SCSU President and shall be removed immediately following the emergency period.

Be it resolved that the Operational Policy – Postering Policy, subsection “Guidelines” be amended to:

The duration in which posters can be posted on bulletin boards at any one time shall not exceed two (2) weeks without the approval of the SCSU Office Manager (additional fees may be applied).

A maximum of twenty (20) 8 ½“x 11” posters (or smaller) or ten (10) 8 ½“x 14” / 11” x 17” posters can be submitted at any one time by any individual or group. At no time, should any poster that does not fall within these specifications be granted approval for posting.

The SCSU Internal Coordinator may at any time refer poster content to the SCSU President and/or the SCSU Vice President Operations for approval.

The individual or group must make every effort to ensure their poster is accessible to all students.

Events run by external organizations but supported or sponsored by a student group must include the sponsoring student group’s name.
Under no circumstances should any materials infringe or be posted over other materials on any bulletin board.

Be it further resolved that subsection “Permitted Posters” be amended to:

SCSU recognized student groups, external organizations and University departments and offices are permitted to advertise posters publicizing events and services on SCSU bulletin boards.

Emergency or regulatory notices to the community containing “need to know” information about an urgent issue regarding facility or security shall be temporarily posted on bulletin boards in high traffic areas. The posting of such emergency or regulatory notices shall be approved by the SCSU President and shall be removed immediately following the emergency period.

At no time will any poster that portrays discriminatory material as defined as by the Ontario Human Rights Code and SCSU policies be allowed to be posted on bulletin boards. He directly went into Chowdhury’s office and campus police was soon informed.

Chowdhury further adds that some of the work the SCSU does is very sensitive. But it is nothing out of the ordinary. There is no reason why anyone should worry. Everyone is on top of his or her job right now to make sure everything is dealt in the safest possible way.

There is a meeting coming up and will a discussion will carry to finalize this fund.

Questions:

Parikh asks why the R-space is being lost to students without raising any reasonable awareness?

Chowdhury responds that the R-space was only given to students to dance because the meeting place and such were used previously. It was a temporary space and never permanent.

However, Parikh reminds everyone that the PanAm centre is always booked for other sessions. Hence, students need to get a petition out.

Youssef inquires about the massages on campus.

Mulatu addresses this. The SCSU tried to get them during exam season. It has changed and it cannot be a one-time thing. It has to be on going so we need to get them for the winter semester.

Anwar further reminds everyone that the Muslim Students’ Association (MSA) for Friday prayer space has used the R-space in the past. Hence, a multi-faith petition is necessary. A space is necessary and HW 305 is the only other space that can be used but it is usually booked.

Chowdhury encourages scheduling a meeting with Nicole Dionisio and getting the two groups petitioning for dance/multi-faith spaces to work together and get the space.

Fairbairn further asks why students should be paying for use of space, if it comes up to it.

Chowdhury comments that it is up to the space committee to decide.
Dioniosio states that the campus has enough space for dance groups but not central enough to the dancers. Hence, the goal is to get space that is easily accessible on campus.

Anwar asks about what is happening to the big gym.

Chowdhury says it will be used as any rec space or exam space for now.

Dionisio adds it is being turned into an exam centre or will be used as study space. Intention is multi-purpose space. Not bookable as of now.

    Be it resolved that the Executive Report be approved as presented.
