SCSU Restaurants Incorporated - Update

**REX’S DEN**

We have an Instagram account! We have been increasing our social media presence and with the hiring of the Rex’s Events Coordinators, it’s a reality we are quickly approaching. Follow us on twitter and Instagram @therexsden. In keeping with our goal to make Rex’s Den the place to be for students, we are currently reaching out to all clubs on campus to have them hold their event at Rex’s Den. We are confident that our location is better than anything that starts with BV, HW, MW, IC, AA, & SW.

In order to increase our presence in the student’s center, we have purchased a TV monitor to replace the current Rex’s Den logo near the stairs leading to the entrance to better communicate opening times, specials and display the great food that Rex’s Den is delivering from its kitchen.

Customer service experience is of utmost concern for our team now that we have a menu that has been gaining traction. We developing a three phase process that will allow us to monitor, alter and track our customer service experience through the use of mystery shoppers.

**HERO Burger**

We are halfway through the promotional period of our weekly discounted items that will increase business in our burger joint as well as provide much needed relief to students amidst increasing costs of being students at a world renowned institution.

**KFC Express**

We are in constant communication with YUM! Brands, the owners of KFC to bring special items to offer UTSC students including hot wings and other new items. We are also working with the KFC team to bring new menu boards which will feature new items as well as new pricing for all items.

**Student Jobs**

The SCSU is committed to offering students meaningful experiences that provide opportunities for growth. In the winter semester, we look to offer jobs in all entities including the restaurants. Please spread the word and tell all students to follow us on our social media outlets and check our website frequently.
SCSU Board of Directors – Vacancies
As a result of the 2014 Annual General Meeting that just occurred, we are now required to present two nominees in order to fill all vacancies in our Board of Directors. Currently, there are three vacancies: Part-time Director, Human Geography and Sociology. We will be posting these jobs as soon as the winter holiday ends. We ask that all directors and students promote these vacancies in order to fill them ASAP.

SCSU PanAm Kiosk Operations
We are beginning are transition into the SCSU pan am Kiosk. As the campus expands northwards, the pan am presents us an opportunity to further our outreach to students and the community alike. Out of the Kiosk we will continue to market and sell the events and programming of the union. We will also extend our metro-passes to this kiosk and expand our TTC inventory to begin selling student tickets to reach out to the young users of the pan am centre.

Annual General Meeting
This past month we hosted our annual general meeting for the membership. All the motions that were a part of the package were passed. We have started working on some of the issues that were presented, which included looking into online voting, creating better program accessibility, and looking into divesting from some of companies UofT currently has investments in. It’s important we know exactly what our tuition dollars are going into. The groundwork required for implementing some of the issues that came from AGM has already begun and we hope to introduce changes as soon as possible.

SCSU Income Tax Clinic
Preparations are underway for the Income Tax Clinic, schedules for March 2nd-14th. This year’s tax clinic will be open on Saturday to serve better. Further our Tax Clinic coordinator is working hard to gain sponsors and has already secured the CPA for $1,000 and is working hard on securing more. We have currently finished hiring all SR. Associates and will be hiring all Jr Associates in the winter semester.

SCSU Services Update
The VP Operations is currently working hard to source out new discounted services to offer students in the winter semester. The VP Operations Associate has been busy with sourcing out new offerings including pizza deals that cost less than $10 including delivery and paintball venues. We are also developing a services survey under the newly formed services commission to better service our members.

Composting in the Student Center
The composting bins are coming into the student centre as means of encouraging front end waste diversion. The composting bins will be located in the food court with educational material around it so students know what they can put in the compost bin. If you can eat it, it can go in the bin. This is one step we are taking to try and make this university a little greener place. If this program implementation goes well, it will be extended to other food outlet areas of the school.

SCSU Income Statement – October Operations
As it is customary, the SCSU provides monthly income statements in an effort to be transparent about our operations. The income statement can be found in Appendix 1. The SCSU hasn’t made any significant purchases in October and doesn’t plan to in November except for some operational equipment for the PanAm kiosk projected to cost around $5,000.
EXECUTIVE REPORT
Board of Directors Meeting #7 of the Scarborough Campus Students’ Union
Friday November 28th, 2014 | 5:00pm | SL232, UTSC Student Centre

Directors Suggestions - Update
The current set of executives are extremely engaged in the healthy dialogue that happens with the Board of Directors. As such, we are always pursuing projects that have been brought to our attention by our directors.

Our website has now been adjusted to show all meeting packages, including this board report under a “Meetings” header. This header will now make it easier to locate our board of director’s packages and AGM packages. This is a key part of our continued effort to make our operations transparent.

We are currently in examining the feasibility of additional microwaves on campus. This is a process that is currently being undertaken by our VP Operations and the VP Operations Associate. There are multiple stakeholders in this project including SCSU, UTSC administration, facilities and our microwave suppliers.

We are happy in the continued involvement of the Directors and will make all updates available as they happen.

Campaigns & Advocacy

SCSU Let’s Go Green Campaign
The SCSU now has full endorsement from the Dean's Office, Department of Student Life, and the CAO’s Office. We will be working with all parties to present the green policy to the January 11 Campus Affairs meeting. The petition can be found at: www.scsu.ca/letsgogreen. To get involved, please contact academics@scsu.ca.

Outside the Box
On Wednesday, November 5, the SCSU collaborated with the Sexual and Gender Diversity Office for the Outside the Box event, "Giving Voice to our Community Needs". This event took place in Rex's Den and centered on oppression and exclusion within the Queer & Trans* community. The SGDO has done a phenomenal job in launching this increasingly popular initiative. We are excited for the next series of events to take place next semester!

Highland Hall (R-Space) Survey & Agenda Planning
Through the SCSU-Administration Study Space Working Group meeting, the Highland Hall Study Space Committee has been struck. The SCSU has been asked to help in data collection and agenda planning for this committee. A survey was distributed over the week of Nov 17-21 regarding student wants for the new group study space and the first meeting will occur on November 24. For more information, please contact academics@scsu.ca

Vagina Monologues
Vagina Monologues is a space where women and trans* folks reclaim their narratives in a variety of creative expressions. Auditions will take place on Wednesday, January 7 at 5:00PM. All women and trans* folks at UTSC are encouraged to take part. This event is in collaboration with the Women & Trans* Centre. The tentative date for the event is Wednesday, February 11. **Get Heard: Program Accessibility Campaign**
The last 2 DSA Councils have focused on the development of the program accessibility campaign, passed at the most recent SCSU AGM. For more information, you may contact academics@scsu.ca regarding this campaign or to be connected to your respective DSA.

**UofT Divest - Fossil Fuels**
Your VP Equity is connecting with organizers of the #FossilFreeUofT Campaign to bring this campaign to UTSC. Governing Council has created an ad-Hoc committee to address this campaign. Since the University of Toronto is now formally considering fossil fuel divestment, there is no better time to increase pressure on administration to officially divest from fossil fuels. If you would like to assist in raising awareness of the #FossilFreeUofT campaign at UTSC, please email your VP Equity at equity@scsu.ca.

**Holocaust Education Week**
SCSU is working with the Jewish Student Life to bring a Holocaust survivor to campus to raise awareness of anti-semitism. If you would like to be a part of this conversation, please email your VP Equity at equity@scsu.ca.

Held in collaboration with PSSA, Democracy Talks was held on November 13 that allowed for a non-partisan discussion among students regarding issues we face in our communities. We partnered with PSEPLA who will be bringing these concerns to the appropriate level of government.

**Inclusive Teaching Supplementary Document**
From previous conversations around the academic handbook and equity statement in the syllabus, and upon passing the motion on curriculum development at the SCSU AGM, we have been looking to other strategies to address issues of inclusive teaching practices. Together with the Equity and Diversity Office, AccessAbility Services, DSL, and the Dean’s Office, we will be looking to draft a supplementary document to the academic handbook to advise faculty in their teaching practices. To be a part of this initiative, please contact academics@scsu.ca

MINUTES
Board of Directors Meeting of the Scarborough Campus Students’ Union

Be it resolved that 2014 Fall By-Election CRO Report be approved as presented; and

Be it further resolved that the 2014 Fall By-Election ballots be destroyed

Mulatu speaks on the CRO report. The election has ended for the SCSU. The back of the package has it listed as Appendix 1. The dates that were given as part of the nomination package are mentioned and the board approved it as well. Advertising is required through by laws and so not just through the website but posters have been put up and underground has an ad as well. All students were emailed the nomination process in advance.

During the Elections, boxes were created and signed. There were 3 polling stations set up. At the end of each day, all the boxes were sealed and given to Campus Police. DROs were hired. They took instructions from the CROs. Their names are listed in the Appendix.

SCSU received one executive candidate nomination package and a few director nominations. Each package was reviewed and audited to make sure they were actually students’ signatures. Executive positions required 100 ballot signatures and director positions required 50.

Anwar asks about the part-time director position.

Mulatu responds that the director was taking more than two courses, which did not qualify them for the position.

MOTION

Moved: Chowdhury 
Seconded: Nehrin

Based on by law 10, section 2.1 d a member of the board of the director of UofT or employee cannot sit on the board. Mark Lauren cannot sit in the SCSU BOD because he sits at the Student Media (Fusion Radio).

Ramoudith asks if the SCSU will be putting up another posting for the vacant position?

Chowdhury says yes.

Be it resolved that the CRO report be approved as presented as amended.

   b. No less than twenty-four (24) hours of polling over a period of no less than three (3) days

11. **MOTION TO AMEND BYLAWS**

   MOTION

   Moved: Chowdhury
   Seconded: Khan

Bylaw 11 discusses the vacancy of seats due to the absence from two BOD meetings without any regrets in the summer term and five BOD meetings from the school term.

Chowdhury discusses the issues with International Students leaving and missing more than two summer meetings with no regrets. During the school term, five meetings can be missed. This is the new addition.

Further more, while introducing new prospects, two candidates need to be selected to recommend.

Ramoudith suggests that directors should be allowed to join with video calling.

Khan further suggests holding a Fall BOD retreat during the school semester.

Chowdhury states that in order to video-in we do not have the facilities yet and a board retreat is coming up next weekend.

Fairbairn suggests being more fair, the SCSU should excuse people from meetings based on family emergencies and other commitments in advance.

Khan states the importance of advertising to people prior to running that they should be available for meetings, especially in the summer.
Azraq responds that when these decisions are made it is important to keep in mind that international students would like to join the board as well. It is unfair to not give them the right to be able to go back home and see their family.

Fairbairn further states for the functionality of the board, the retreat in the summer allows people to touch base with everyone and get updated prior to the beginning of the semester. This is important when being part of the board and working together. The SCSU should make absences less lenient because these people are representing a group of people and providing input on their behalf. It is not fair to the people that voted for this person.

Nehrin adds the policy actually allows you to stay and hold a position when you are member. If you are not taking courses, your membership ceases.

Khan feels since the director misses out on a lot by not being there, it is the SCSU’s responsibility to help them make up for the material that they loss. If the SCSU makes sure to accommodate these people, there will not be any problem.

Azraq reminds everyone that everyone is representing all the students on campus. If there are not any international students in this room, you need to take a step back and rethink from their perspective. The SCSU has to be accessible to everyone, all students at large.

Mulatu further mentions the change in the bylaws does allow someone to miss a third of the SCSU meetings. It is quite a bit and approving such a motion would devalue the importance of the job. To create such a lax rule is not something the board should support.

A motion is passed to separate the clauses to carry further discussion.

**PROCEDURAL MOTION**

**MOTION**

Moved: Chowdhury          Seconded: Khan

Be it resolved that a procedural motion be passed to divide the motion so each further be it resolved clause will be dealt with separately.

**CARRIED**

interview process and select two (2) candidates to send to the Board of Directors for election.

MOTION TO REFER BACK TO POLICY AND BYLAWS

MOTION
Moved: Chowdhury    Seconded: Khan

Nehrin speaks against this motion. The spirit of the amendment was to accommodate International Students. Nehrin asks if this does not happen next year, what is the point?

Mulatu supports Chowdhury’s motion. Currently there is one extra vacancy on the board. If something is not good or feasible for all students, we should not confirm it.

Amir further mentions that you do not be a member of the school to keep your office position.

Nehrin speaks in favour of the referral but IF AND ONLY IF a board exercise follows.

Chowdhury calls to question.
