SERVICES & OPERATIONS

November and December Financial Statements

Tax Clinic

Applications continue to be received on the SCSU website for Senior and Junior Tax Clinic associates. We are looking at a potential partnership with APUS and other organizations for sponsorship.

Board Training

New directors have been trained, and the new hires will be trained in the next month.

CSS

The SCSU executive continue to attend CSS sub-committees and attended the preliminary budget meeting last week. CSS is proposing budget increases that we are expected to vote on by the end of this month.

ESCB Microwaves

Facilities of the University have returned with the sad news that there are no suitable locations in ESCB to install microwaves. We scheduled a walk last week with EPSA to determine possible locations that we will be proposing to facilities.

TV Lounge Mirrors

We have also received the sad news that the mirrors in the R-space cannot be transferred to the TV Lounge. We will be looking into pricing of installing new mirrors in the next couple months. However, installation of the mirrors likely will not happen until the Summer.
CAMPAIGNS & ADVOCACY

Study Space Survey
The results from the Study Space Survey have been sent to all the members of the Study Space Working Group, including the SCSU VP AUA. Thank you to all that have participated as the survey received just over 1600 responses. As the survey left plenty for open responses, it is taking some time to go through these responses. This participation is very valuable. For any questions, please email academics@scsu.ca

3M Fellowship Opportunity
A student named Karen Young, who is currently a 3M National Fellow has put together a great guide for students interested in this opportunity. They’ve begun working with the VP AUA, who will be helping with sharing this opportunity to other UTSC students. If you have any questions about this opportunity, please e-mail academics@scsu.ca

T*IVM: Photoshoot
Leading up to the trans* inclusive vagina monologues, there was a photoshoot held on Friday, January 15th at 1pm. The photoshoot included the beautiful womxn and trans* identities at UTSC flawlessly showcasing what it means to break free from the confines the university and society try to box us in. The auditions for T*IVM are closed, but ANY student is welcome to either attend the event on February 10th, 2016, or submit to the Xpression Against Oppression Zine that will be released at the Women & Trans* Centre Conference in March 2016.

Embrace Syria UTSC
SCSU is proud to announce that the Embrace Syria Subcommittee has met and surpassed their goal of raising $27,000 in relief funds to resettle a family of 4 asylum seekers. The campaign was launched at a time where the government was neglecting to be of any support. Since then, however, Justin Trudeau has agreed to resettle 25,000 Syrians to Canada. Because there may be another area in more urgent need of financial support (winter clothing and funding local housing settlement, for example), SCSU and the subcommittee members will be meeting with an Embrace Syria national campaign organizer to discuss the feasibility of reallocation. For more info, please contact equity@scsu.ca.
**Indigenous Education Week**
SCSU and Indigenous Students Association are in the planning stages of Indigenous Education Week, which will consist of three days of programming finishing up with a FREE keynote address by Wab Kinew on February 24th, 2016. If you want more info on programming, or would like to reserve your seat for the keynote, please contact equity@scsu.ca.

**Brown Canada 2020 Summit**
VP External presented at the Brown Canada 2020 Summit hosted by CASSA on post-secondary education and its impact on racialized students.

**#WeareUofT Action**
Executives attended the #WeareUofT Action in support of CUPE 3902 for a broader conversation on funding, post-secondary education, and the struggles that connect students and workers at the University of Toronto.

**UTSC Shuttle Bus Campaign**
On Wednesday, January 13, 2016, SCSU and APUS are working together to provide a free UTSC shuttle bus service for students. Send a message to the University of Toronto Administration that we need a permanent, accessible and free shuttle service between the UTSG and UTSC campuses. As members of the University of Toronto Tri-Campus community, UTSC students have not been able to access the resources that we contributed to sustaining.

**Open Forum on Islamophobia**
On January 14th, 2016, organizers from the Racialized Student Collective partnered with SCSU, the Women & Trans* Centre, and the Muslim Students Association to organize an open forum on Islamophobia, which focused on the implications intersetional discrimination. This led to conversations of anti-black racism that some Muslims face, as well as what it means to have your existence denied by members of your own community. If there are any experiences that you would like to share and you did not have the chance to attend, please feel free to contact Jessica at equity@scsu.ca.

**Fossil Fuel Divestment**
As per the University’s Policy on Social and Political Issues With Respect to University Divestment, pressure from Toronto350 led to the creation of the
ad hoc Advisory Committee on Divestment from Fossil Fuels on March 6th, 2014. SCSU, along with Student Unions across UofT, academics, and advocates sent their respective submissions to the committee with recommendations in September 2015. On December 15th, the Committee released a report, which can be found here: http://www_president.utoronto.ca_secure-contentUploads201512_Report-of-the-Advisory-Committee-on-Divestment-from-Fossil-Fuels-December-2015.pdf. As we await the final decision, SCSU would like to thank all the student groups, DSAs, and students who contributed to the fight to have the University divest from the Fossil Fuel industry, and those who commit to pressuring UofT to commit to ethical investments. If you would like more information, feel free to contact equity@scsu.ca.

EVENTS & PROGRAMMING

**Partnership with AMACSS**
For February 4, the SCSU will be supporting AMACSS with their video game tournament with their prizes and the food. It is going to take place in the IC Atrium from 5-7 PM. For those interested in registering, there is a $3 fee and you can find this information on their Facebook page. Their last event was able to raise a lot of money for a charitable cause they had chosen. If folks are interested but aren’t into gaming, they will also have board games for spectators on the side. This partnership came to be through the help of the SCSU CMS Director.

**DSA Takeover Day**
On January 14, VP AUA worked with the DSAs to “takeover” the student centre. In order to help with increasing the presence of DSAs, it was decided that they could be put into one place to make it easier to find. Most DSAs tabled however some DSAs took up the opportunity to also host events in the student centre meeting rooms.

**Clubs Training**
Just a friendly reminder that our next clubs’ training will be taking place on Friday, January 22, in SL 232 from 11:00am to 4:00pm. Clubs that have yet to attend a clubs’ training session but will be looking to apply for club funding

We are currently looking for ways to restructure our Exam Destressor. Those who have any suggestions are encouraged to email campuslife@scsu.ca.

MEETING MINUTES

Board of Directors Meeting #8 of the Scarborough Campus Students’ Union

Monday, December 7, 2015 | 5:40 PM | SL-232, UTSC Student Centre

SERVICES & OPERATIONS

Dionisio speaks on Health and Dental  Due to administrative set-backs, opt-out cheques mail-out has been delayed. Messaging will be sent out to students and they will receive their cheques by the end of January.

Dionisio speaks on Rex’s Den Event Coordinator Hiring  Jacky Caparas has just been hired and will be coordinating with SCSU and Rex’s staff to organize and promote events for the Winter semester.

Dionisio speaks on Tax Clinic Coordinator  Christine Yan has been hired and will be organizing the tax clinic and securing sponsorships for the March Tax clinic sessions. We are also looking to collaborate with APUS and offer tax clinic sessions specifically for part-time students.

CAMPAIGNS & ADVOCACY

Kirk speaks on VICTORY: Refugee Student Funding  One of our requests in our lobbying efforts with the University was to increase funding to our student refugees. We have just received news that the Principal has secured funding for an additional refugee student on campus. This will include funding for tuition, housing, and other resources the student will need in their first year at UTSC. We are now working to ensure the University brings both a male and female student to UTSC as we have historically seen only male students accepted through the refugee program.

Kirk speaks on Black on Campus UofT  With #BlackOnCampus events happening across university and college campuses nationally and internationally in response to threats made against black students at Mizzou and Yale, black students and faculty as well as allies at the University of Toronto gathered on November 18th to challenge the anti-black racism within the institution. Black students across all three campus took part in organizing the Black at UofT action, and CFS supported SCSUs efforts to mobilize UTSC students to the action at the St. George campus. SCSU fully endorses the list of demands, which are attached to the Board Package. For more information about Black on Campus UofT, contact equity@scsu.ca.

Kirk and Hill speak on Investigating Land Disposition  Indigenous Students Association invited SCSU to collaborate on an event which focused on the First Nations Water Crisis. Nearly 20% of First Nations communities are under boil water advisory, which means the safe drinking water conditions are dire for 1/5th of the community. At the event, the detrimental effects of settler colonialism for Indigenous people of Canada and how it informs the water crisis in First Nations communities, was discussed.

Kirk speaks on RSC Meeting  As per the motion that was passed for a Racialized Student Centre, there will be a cleaning meeting for the new office on December 10th from 1-4pm in SL 210B. Feel free to come through if you are a Racialized or Indigenous student who would like to discuss what you’d like the
space to look like and how it operates/exists. Contact equity@scsu.ca if you would like more information.

Kirk speaks on **Multi-Faith Meeting** As per a motion that was passed for changed scheduling opportunities for the Multi-Faith and Spiritual Space rooms, there will be a scheduling meeting on December 10th at 10 am in SL 279. If you are from a faith-based campus group or a chaplain and would like to take part in this meeting, feel free to come out! After the scheduling, we will also be cleaning the closet in SL 279 so there is space for folks to store the items they use for their various faith based practices. Contact equity@scsu.ca for more details.

Galindez **Academic Forum** Academic Forum comes from a motion struck at the Campaigns and Equity commission to have a space for students to discuss academic concerns, issues, and experiences. Academic Forum took place on November 10, 2015 and this space brings together administration and students so they can work together to overcome the barriers students face in their academics. This meeting touched on a number of issues including accessibility, technology in the classroom, financial aid support, and isms in the classroom. If you would like to get involved in the next forum, feel free to e-mail academics@scsu.ca

Galindez speaks on **Meeting updates with Library** The VP AUA met with the Deputy Chief Librarian for brief updates on library resources that can be relayed back to students. The two topics we discussed were research opportunities for students as well as the exam repository. The school does recognize that past exams are a valuable exam resourced, however it is important to know that exams that do not come from the library are considered unauthorized aids, and make get you an academic offense. However, we recognize that many courses still do not have their exams in this repository. Though administration is trying to persuade faculty to chip in, we are asking that students check to see if their courses are represented in the repository. If they are not, we ask that you e-mail academics@scsu.ca as we are working with the library to show administration and faculty the demand for this resource.

Galindez speaks on **Academic Navigator** As part of the Academic Advocacy Campaign we created an academic navigator. This handout focused on four areas; student academic rights, financial literacy, academic integrity, and a university 101 cheat sheet of the different resources students have on campus. We are hoping to develop this sheet into a z-card so students can carrier it around much more easily.

Rajabi speaks on **Toronto Transit Commission** VP External attended the TTC Budget Committee and Board of Directors Meeting to speak against proposed fare increases. Unfortunately the adult cash faire increase went up at $0.25 cents and $0.10 cents on tokens but there was a price freeze on student metro passes. A motion was passed to look at the same trip multiple for student, adult and senior metro pass. There will also be service increases: earlier Sunday service, bus service reliability (additional buses, drivers, supervisors to tackle the bunching problem), street car service reliability (focused on the Queen St car), and new and enhanced express bus service.
MEETING MINUTES

Board of Directors Meeting #8 of the Scarborough Campus Students’ Union

Monday, December 7, 2015 | 5:40 PM | SL-232, UTSC Student Centre

Rajabi speaks on **Convocation** The SCSU executives attended convocation to give a farewell to our graduates! We provided them with their composite for their graduating class. If you are graduating this year, you can book your photos online at scsu.ca.

This service will also be available in the Winter term, for Summer and Fall composites.

Rajabi speaks on **Hart House** There has been an increase in demand for more UTSC specific programming by Hart House. If you have any suggestions on how Hart House can better serve UTSC students, as they collect student fees from students please email external@scsu.ca.

Rajabi speaks on **CFS Ontario Executive Meeting** VP External attended the October OEM to discuss and work on motions that were put forward at the 2015 August Annual General Meeting. A report on CFS Ontario work was also given on campaigns, communications, services, finances organizational and membership development. There were also updates from student unions in Ontario on any developments.

Rajabi speaks on **CFS National General Meeting** The SCSU executives attended the CFS NGM. Motions put forward by student unions across the nation to improve the services and campaigns of the CFS were discussed and voted on. There was amazing workshops on student organizing around the world (Europe, USA, and South Africa), on solidarity with indigenous communities, combatting Anti- Black racism, combatting Islamophobia, Consent Culture on campuses, Food banks on campuses, Mental Health initiatives etc.

Rajabi speaks on **Meeting with MP** Gary Anandasangaree VP External and the President met with our newly elected MP, Gary Anandasangaree. We discussed the importance of open communication between the SCSU, students and our MP. We emphasized the importance of the Liberal party’s commitments on education, youth unemployment and missing and murdered indigenous women. Student housing was also an issue that was brought up, if you have suggestions/ concerns please email external@scsu.ca

**EVENTS & PROGRAMMING**

Kirk speaks on **Trans* Inclusive Vagina Monologue Auditions** The first round of T*IVM auditions took place on November 27th. Due to conflict in scheduling for students who were interested in auditioning, SCSU, WTC and HCSSA will be having another round of auditions on January 8th, 2016. If you or someone you know would like to audition or submit to the XAO Zine, hit me up at equity@scsu.ca

Kirk speaks on **T*IVM Programming** This year, there will be different sets of creative programming workshops leading up to the Trans* Inclusive Vagina Monologues, all of which are open to all students! There was a Zine making workshop that took place on December 1st, and the next event will be a performance workshop happening on January 13th. Following that, there will be a writing workshop on January 20th, and a visual art workshop will be taking place on January 28th. If you’d like more info on
any of the programming or want more information on T*IVM, feel free to either contact equity@scsu.ca or visit the Woman & Trans* Centre.

Kirk speaks on Embrace Syria Holiday Fair The Embrace Syria Subcommittee held another successful event on November 30th, in their ongoing effort to raise awareness about the ongoing conflict in Syria, and also to raise money to support a family of asylum seekers coming to Canada. If you would like to get involved with the campaign, e-mail embracesyriautsc@gmail.com or contact equity@scsu.ca.

Kirk speaks on National Day of Remembrance and Action on Violence Against Women Equity and Diversity Office hosted the annual commemoration of the Polytechnique massacre, whereby a young man violently killed 14 women because they were feminists. This year, however, there was a focus on the 1200 missing and murdered indigenous women, two spirited sisters, and girls. Violence is in the physical form, but also in the continued invisibilization of marginalized communities, which is why it was so important to ground the conversation in solidarity with Indigenous communities who face a disproportionate level of violence. The 600 shoes on display in the Meeting Place are meant to represent MMIW.

Kirk speaks on Food for Fines SCSU partnered with the UTSC Library for the annual non-perishable food drive, where we invited students to drop off donations at the Scarborough Campus Library between the 23rd and 27th of November. For every food item that was donated, $2 were waved from your library fines. The donation drive is now closed, so folks will have to wait until next year for this awesome initiative.

Kirk speaks on Maveerar Naal: Rise for the Fallen Tamil Students’ Association invited SCSU, along with folks from TSJP and ISA to speak at Maaveerar Naal event on November 19th. This was a space to commemorate the fallen soldiers who fought for the freedom and self-determination of Tamil people, and for the establishment of Tamileelam.

Galindez speaks on Puppy Therapy Puppy Therapy was a huge success and students were coming in non-stop throughout the whole event. This event was a collaborative effort between the Co-op Students Association, MESA, and the SCSU. Because the group that brought the puppies is a volunteer organization, we decided to raise money for St John’s Ambulance to ensure programming like this continues. All in all, within the two hours we had raised $115. We are looking into hosting this event again, however, we will need another organization as St John’s is already under resourced.

Galindez speaks on 4.0 Fair 4.0 Fair is often held for first years during Orientation. However, many of the students who also need the resources exhibited at the event miss out on this. There was some traffic at this event. We also had students write out what they wished they knew in their first year on our banner but also had students take photos for it.

Konstantopoulos mentions that there is a legal issue of having the AGM online. Konstantopoulos suggests that using a log-in could be a potential solution.

Konstantopoulos also suggests that students who do not want to be filmed can notify the camera person ahead of time. Konstantopoulos notes that individuals can express their desire to not be filmed by marking their ballot. Konstantopoulos suggests the alternative of focusing the recording to the front of the room if students do not wish to be filmed. Konstantopoulos also suggests the alternative of allowing students to request a pause in the livestream and the Chair can report the summary once the livestream
is goes back online. Konstantopoulos also suggests the alternative of allowing students to request for their point to be struck from the minutes. Konstantopoulos notes that it is important to be accountable to the students.

Hill asks for clarification, specifically students who watch the AGM livestream may not comment or raise their concerns. Hill adds that there could be security issues.

Chu notes that the SCSU website is open to the public.

**MOTION**

Moved: Archibald  
Seconded: Mohamad

Archibald motions to make an amendment to include a clause for social media and for social media to be further investigate as a platform to ask questions and present concerns.

Hill speaks against the amendment. Hill questions legitimacy and how to go about confirming whether someone is a student. Hill adds that it is more conclusive when the individual is present at the AGM.

Dionisio adds that Hill has a good point. Dionisio states that she will help Konstantopoulos to draft a motion for the report.

Sultoni agrees with Hill due to shared concerns about the inability to filter out legitimacy. Sultoni suggests further edit of the comments section.

The Chair clarifies that social media is just an alternative.

Vote: Majority Against

**MOTION FAILED**
Hill asks for clarification on the scope of the motion. Hill explores the hypothetical situation of students streaming midway into AGM and missing informative parts such as the Equity statement, and Executive Report, which are important for learning outcomes and feedback outcomes. Hill states that students in this situation would be unaware of the guidelines and they could ask offensive or rude questions. Arguably, if there is a livestream, attendance at the live AGM will decrease, and Hill asks how quorum will be achieved if attendance drops.

Sultoni agrees but states that there is a way to get around the issue of reaching quorum. Sultoni states that individuals can gain access to the livestream by getting a password from the Executives, which is separate from their UTorid password.

Archibald expresses concerns for individuals who cannot attend the AGM. Archibald states that a livestream of the AGM is a solution for those who cannot attend the AGM, thus watching online helps people.

Galindez states that this discussion raised good questions. Galindez would like to discuss feasibility and supports voting in favor of just discussing feasibility. Galindez is in favor of helping answer the questions being raised.

Hill expresses concerns about the “Lecture effect” and states that she feels that a livestream of the SCSU AGM will result in a decrease in attendance.

- Amongst 6 Universities competed
- As students they had to fund their own costumes
- Formal attendance was as included in formal

James: Are there students at UTM and do they have a team?
Assassins: Downtown has their own Team, so UTM only dances here.
Kirk: They are also applying for DSL funding, as it says so in the package.
Kirk: What happens if they already got funding from DSL as well?
James: We would notify DSL that they got funding, so that they don’t double fund them.
Kirk: Is it fair to say that we only fund half of their funds?
James: Yes that fair, but I also think that only 30 students get funding.
Qazilbash: I like the idea that they get half of the funding.
Li: Agreed:
Gabriel: I think that we should support them, but they should only get partial funding.
James: So are we funding half of the full amount or are we funding only half of the 30 UTSC students?
Li: How much would it come to for only the 30 students.
Nikki: What is the total request?
James: $2,500 is the max. But the request for a presentation is after $1,000.
James: Also, another matter is the fees for the events that they had to attend is not outlined in the package. So, what I would ask that they didn’t include the
proof of this. In the way that it is documented, it needs to be more comprehensive. So how do folks feel about letting me go back to them.

Li: I completely agree. There are 30 students, and they should be aware that they have to pay fees.

Kirk: Are you saying that it's not as big of a membership that is being affected. My perspective is that this training would prepare them for larger scale events that do on campus.

Qazilbash: I think that we should go back to them and find all the information, before we make a decision.

James: I think that we should fund the costumes and the material, and to approve it for that amount, and then separately document their part event.

Gabriel: Those 3 non UTSC students also contribute to the community.
