Front Desk Audit

As a voting member of the Advisory Committee on Physical Accessibility, SCSU brought forth a proposal to make our front desk more physically accessible for differently-abled students. During reading week, SCSU met with folks from Design & Construction Management Team, as well as
AccessAbility Services, to review previous design submissions for the SCSU Office front desk. SCSU will bring forth the final blueprint draft, in order to have funding approved by the Committee.

SCSU Communication Box
We have just launched our “communication box”; an anonymous feedback form available on the SCSU website. All members are able to access this form and provided feedback on our various services and events. Anonymity is optional.

Hot Water Machine
Is in the process of being installed by the microwave in the Student Centre near Hero Burger.

Media Contracts Consolidation
The VP Operations and the Operations Coordinator are undertaking an ongoing project, in regards to the media companies the SCSU is engaged with, in order to consolidate all offerings with a single firm. This process will not only aid in maximizing advertising revenue for the SCSU, but will further allow the SCSU to have an easier year-to-year transition when it pertains to the external contracts of the union.

Rex's Den Lounge Area
The SRI Manager and Rex's Den General Manager have proposed a plan for the Rex’s Den lounge area, which has been accepted by the Executive team. The lounge area will be reorganized to include high tables and chairs, which will be servable. The pool tables will remain free.

KFC Menu Boards
KFC’s new menu boards have arrived, after a long process, which has taken close to a year. The menu board and price changes will be implemented over a month. The value menu, which is most important to students, will not be affected by any price changes. All other price changes will be to ensure that our KFC reflects market price.

GM Loan Review
In previous years a loan, for the purposes of hiring an SRI General Manager, was in place with the University of Toronto. An internal investigation concluded that the loan was never paid back in full. A payment schedule, as well as negotiations to waive accumulated interest, are currently being developed and underway.

Rex’s Den Alcohol MOU
The Rex's Den Alcohol MOU (memorandum of understanding) agreement between the SCSU and the University of Toronto is near completion. Although there has been a high amount of pressure being placed on the SCSU President and VP Operations to sign the deal, the two have refused, not willingly to sign the agreement until the University of Toronto recognizes the shared costs of the Rex’s Den bar and is willing to remit those costs.

Health and Dental: Opt Outs, Opt Cheques, and Blackout Period
The health and dental opt outs have been processed and approved. Folks who have been approved should either receive an email communication of sorts, along with a cheque, or a direct deposit. Folks who have not been approved may contact GSC or the SCSU to inquire as to why. All inquires should be forwarded to the VP Operations: operations@scsu.ca
**Audited Financial Statement Drafts**
The draft statements of the audited financial reports have been passed along to the SCSU. The VP Operations along with the President, discovered several mistakes after a long and extensive process. The steps are being taken to ensure that the reports reflect accurate information.

**SRI Labor Wages: Minimum Wage Increase**
In conjunction with the Ontario Ministry of Labor, minimum wage has rose. SRI and SCSU have taken the proper steps to ensure that wages were properly accounted for, and that labor cost projections were appropriately adjusted. Furthermore, the SRI Manager and VP Operations are undertaking a study, to ensure that wages are maximized, while remaining in line with good business practices.

**Associate Pay Restructure and Rise**
In line with the priorities of the elected team, the VP Operations restricted the pay schedule of the associates. Ensuring that associates, if need be, have access to their stipend at a quarterly or bi-annual rate. Moreover, associate base pay was increased to reflect the hours and nature of their work.
CAMPAIGNS & ADVOCACY

Black History Month Conference
VP Equity met with folks from University of Toronto Mississauga Students’ Union and Black Students’ Association, establishing a tri-campus collaboration for the second annual Black History Month Conference. The Scarborough Campus partners so far are the Racialized Student Collective, African Students’ Association, Caribbean Connections, IMANI: Black Student Alliance, and the Women & Trans* Centre. This grant would be created for but not limited to refugee students administered at UTSC through the WUSC program. SCSU will begin consulting with protected persons and refugee students to explore its feasibility.

Academic Advocacy Campaign
VP AUA will be launching an academic advocacy campaign in the month of November. This campaign will include both an awareness campaign aspect and events. The focus on this session will be Academic Literacy and will focus on providing students with the resources they need for their academics at the University as well as help engage students in their academic experience. The events included in this event will include an Academic Townhall, called “Barriers to Education”, a 4.0 fair, and Dog Therapy as a destressor event. The campaign will focus on the four following themes: financial literacy, academic integrity, knowing your rights, and university resources. As navigating the university experience is stressful enough, important resources have been hidden around our university. It is important to advocate for a more accessible education.

Embrace Syria Campaign
After having been contacted by Muslim Association of Canada requesting a call to action from UTSC, Samreen Aziz launched the Embrace Syria Subcommittee through the Campaign and Equity Commission this month. Since its launch, Samreen has created an Executive Team and a campaign plan, all in effort to raise awareness and money for Syrian Refugee Support. Embrace Syria UTSC hopes to raise $27,000, which would support a family of 4 asylum seekers’ migration
to Canada. To donate or to get involved with the campaign, contact either equity@scsu.ca or embracesyriautsc@gmail.com.

9. DIRECTOR UPDATES

Galindez lists the following project appointments:
Gizzo and Qazilbash are working on resource directory
James, Khoury and Sultoni are working on FX.
Hill is working on Trans* inclusive Vagina Monologues.
Chu is working on transit.
Konstantopoulos is working on the Lack of Diversity Project.
Nami and Mohamad are working on Momentum.
Shifferaw is working on tuition.

Dionisio will email the list to the directors.

Galindez speaks on the University forum committees sent to directors. Two directors responded, Gizzo will be attending academic forum and Hill will be attending the CAO forum.

Konstantopoulos speaks about financial decisions made during the board meetings. Konstantopoulos proposes having two meetings, the first to deliberate and the second to finalize the decision.
Konstantopoulos wants to discuss the process of financial decision making, how to regulate the process, and whether it is possible to have a recess to think about the decision.

After a lengthy discussion, it is decided that it is better to have discussions during board meetings rather than to have a side committee. During a discussion, a recess can be called to deliberate but the executives cannot be asked to leave as they are part of the discussion process.

Qazilbash asks for an update on the Black Lives Matter donation.

Kirk responds that she can get an update on how the Black Lives Matter donation was spent and would have a short follow up with the Board.

Konstantopoulos suggests either to relax the Robert’s Rules of Order or to provide training on Robert’s Rules of Order prior to the upcoming Board of Director’s Meeting and the Annual General Meeting because the general membership may not understand Robert’s Rules of Order.

After a lengthy discussion, it is decided that providing a Robert’s Rules of Order workshop to the students would be looked into.

Konstantopoulos inquires whether the union could organize an open town hall meeting outside the AGM in which students can query the union and collectively voice their thoughts outside Robert’s Rules
of Order. Konstantopoulos also asks for a motion to archive livestream of election forums and AGM proceedings to ensure students are well informed about what happens at these events.

After a lengthy discussion, Kirk states that she has written down Konstantopoulos’ ideas and she will email the items Konstantopoulos brought forward to Dionisio. Kirk states that she will talk to the executives and follow-up.

Konstantopoulos noticed that during elections there was no actual status stated in the elections policy of what to do if you are acclaimed. Konstantopoulos wonders whether elections policy could express the duties and regulations of all students not just for those who are acclaimed, but also for other scenarios. She would like there to be a place where students could look at the policies.

Galindez responds that changes and updates to by-laws and policies must be brought to the committee.

Chu speaks about the LSA tri-campus initiative in which LSA went to high schools to promote Linguistics. Chu mentions that LSA is in the process of filming promotional videos and is preparing for Orientation.

Mohamad states that there are no updates from DSAs because the geography president did not respond. Also, student non-DSA committee needs a third member.

Galindez adds that the DSA committee plans to meet in September and DSAs cannot get their funding until that committee is complete.

Chu adds that the committee need a non-student DSA member.

Galindez follows up that the committee needs a member at large.

Khoury asks Kirk if a club could ask for Anti-O training and how to go about that.

Kirk responds that Anti-Os are done at club training.

James adds that there are three trainings and trainings outside of that need to be booked based on Kirk’s availability.

Kirk adds that two executives do clubs training. If more executive members would like to attend, send her an email and she will try to add them to the Anti-Os she offers.

BIRT the meeting agenda be approved as presented

1. Clubs Recognition Policy - Amended
   - “Written request to VP Campus Life for alternative arrangements must be submitted and approved prior to the date of the clubs training session” added to 12.

Moved: Rajabi Seconded: Kirk
Unanimous, CARRIED

3. Board of Directors Policy - Amended
   - In alignment with other student unions, and to ensure the operations are more students and services based, VP operations should be an elected position.
   - Would increase accountability by being driven by students, and adding the democratic component.

Be it resolved that the PBC recommend the amended Board of Directors Policy to the SCSU Board of Directors for ratification.
Moved: James Seconded: Konstantopoulos
Unanimous, CARRIED

4. Election Procedures Code - Amended
   - Expenses
     - Director candidate expenses reduced.
   - Campaign reimbursement
Can be a financial burden for folks who want to run in the elections. There is financial limit, but not all students have the funding.

Point raised on incentive to meet demerit thresholds - currently too easy to gather demerits.

Reimbursement amended so that every demerit point gained results in a loss of 2.5% for executives and 6.25% for director reimbursement.

Formula for Executive Loss: \( f_{LE} = 25 + (2.5(x-5)) \) Director Loss: \( f_{LD} = 25 + (6.25(x-8)) \)

Be it resolved that the PBC recommend the amended Election Procedures Code to the SCSU Board of Directors for ratification.

Moved: Kirk Seconded: James

Unanimous, CARRIED

Moved: Kirk Seconded: Galindez

Unanimous, CARRIED

6. Committees - New Addition
   - Implementing VP Operations as chairing bursary committee, President sits on committee

Scarborough Campus Anti-Racism Subcommittee / Racialized Student Collective Agenda

Thursday, October 8th, 2015 - 3-5pm

In Attendance: Jessica Kirk, Sitharsana Srithas (Tamil Students’ Association), Aniqah Rahman (Historical and Cultural Studies Students’ Association), Nasma Ahmed (Women & Trans* Centre), Camille Galindez, Trina James

1. Opening
   - Land Acknowledgement
   - Equity Statement

2. What is Racialized Student Collective?

3. Lack of Diversity (In Academia) – what type of space would we like to create?
   - The purpose of the space should be made explicit, both in the promotional material, as well as throughout the length of the event.
   - Talk about the curriculum more generally, course material for certain classes more specifically, or potentially racist encounters with specific professors
   - There should be an interactive approach, rather than a hierarchical approach

4. Lack of Diversity Educational Campaign – Terms that will appear on posters, edited by Members of the Collective
   - Allyship: responding to the needs of the target group; exploring and owning your dual roles as oppressor and oppressed.
     - Ex: Dominant group member calling out a professor or TA for saying something racist.
   - Micro-Aggression: A brief verbal, behavioural, or environmental act that insults marginalized peoples. Acts can be either intentional or unintentional
     - Ex. “How articulate! You speak such perfect, unaccented English!”
       - Members spoke in great length about microaggressions with friends and colleagues.
       - Members also spoke about the dangers of ignorance, and the impact “I didn’t know it would hurt your feelings” has on folks.
   - Privilege: Not feeling vulnerable based on your identity; an invisible pack of unearned assets.
     - Ex. Not having to repeat your name when introducing yourself to your professor or TA.
   - Racism: A structural system of exploitation; those in positions of power may use it to exercise control over someone who is racialized.
     - That said, there is no such thing as reverse-racism
