10. Recommendations from SCSU Policy & By-laws Committee to the Annual General Meeting

   a. Director Employment Act

   Motion

   Sahagian

   Whereas voting Directors of the Union hold the Union accountable and play an imperative role in maintaining the quality of the functions of the Union;

   Whereas offering a stipend would attract and/or maintain a high quality of Board of Directors, and also incentivize the Directors to attend as many of the Board meetings as possible;

   Be it resolved that the Union shall offer a stipend of $50 to every Director for each Board meeting attended for at least one half of the duration of the meeting;

   Be it further resolved that the above shall only apply to voting Directors of the Union

   The committee recommends the following motion not to be added to the SCSU Annual General Meeting on November 27, 2019.

   b. AGM Quorum Act

   Motion

   Sahagian

   Whereas the purpose of the Union is to “organize students on a democratic, co-operative basis for advancing the interest of the UTSC student community” [Constitution, 2. b];
Whereas the purpose of the Union is to “bring students together to discuss and co-operatively achieve necessary educational, administrative and legislative progress wherever decision-making affects students” [Constitution, 2. d];

Whereas in the past, the Union has failed to conduct Annual General Meetings due to a lack of quorum and has, as a consequence, failed to fulfil its duties towards the students;

Be it resolved that every Director of the Union shall ensure that they represent twenty five unique students as proxy so that the Annual General Meeting quorum can be met at all meetings and all Annual General Meetings conducted as planned.

The committee recommends the following motion not to be added to the SCSU Annual General Meeting on November 27, 2019.

c. Electoral Equity Act

Motion

Sahagian

Whereas the purpose of the Union is to “work towards building an environment free of systemic societal oppression” [Constitution, 2. h]; and to “endeavour to bring about a fundamental redistribution of socio-political and economic power so as to permit substantially greater participation by students in making those decisions which affect their lives” [Constitution, 2. m]; and to “do all other things that are incidental or conducive to these purposes” [Constitution, 2. i];

Whereas the University of Toronto Scarborough is an evidently growing community of student leaders;

Whereas in this growing community of student leaders, the Union ought to provide a platform to as many future leaders as possible and allow them to take reins of the Union to demonstrate their vision for a better Union;

Whereas a purpose of the Union is to also “foster the intellectual growth and moral awareness of students in order to benefit them, the University of Toronto Scarborough Student Community, and society” [Constituion, 2. j];

Be it resolved that the Union immediately implement the “Executive Electoral Equity Act” as attached below (Annex I);

(Annex I) Executive Electoral Equity Act

1. A Director or Executive must hold a Term of Office or Term in Office for no more than one term for the duration of their undergraduate degree at the University of Toronto Scarborough.
1.1 If the Director or Executive is elected in a by-election, then the term shall last until the ratification of a new Director or Executive for their position as per pre-existing norms according to the Unions Bylaws.

2. An Executive or Director who has held one Term in Office or currently holds office in the Union may not run for elections again with the exception of Directors running for office for the role of Executives within the Union.

3. The above clauses also extend to those Directors or Executives who may be hired rather than elected.

The committee recommends the following motion not to be added to the SCSU Annual General Meeting on November 27, 2019.

d. Electoral Equity for International Students Act

Motion

Sahagian

Whereas the purpose of the Union is to “work towards building an environment free of systemic societal oppression” [Constitution, 2. h]; and to “endeavour to bring about a fundamental redistribution of socio-political and economic power so as to permit substantially greater participation by students in making those decisions which affect their lives” [Constitution, 2. m]; and to “do all other things that are incidental or conducive to these purposes” [Constitution, 2. i];

Whereas the University of Toronto Scarborough is an evidently growing community of student leaders;

Whereas in this growing community of student leaders, the Union ought to provide a platform to as many future leaders as possible and allow them to take reins of the Union to demonstrate their vision for a better Union;

Whereas a purpose of the Union is also to “foster the intellectual growth and moral awareness of students in order to benefit them, the University of Toronto Scarborough Student Community, and society” [Constitution, 2. j];

Whereas international students are subject to the same levy structure by the Union as domestic students yet are prevented from running for Executive positions for the Union due to the nature of the Union’s Bylaws on ineligibility, which prevent anyone holding an Executive position from taking more than 1.0 credits per semester

Whereas international students must take a minimum course load of 1.5 credits to maintain their student status in Canada;

Be it resolved that the Union immediately implement the Electoral Equity for International Students Act as attached (Annex I);
Be it resolved that Bylaw XI – 2.2 (a), under “Ineligibility” be amended from “An Executive of the Union shall cease to be eligible to remain in such office if the Executive: enrolls in more than 1.0 credits per session” to read “an Executive of the Union shall cease to be eligible to remain in such office if the Executive: enrolls in more than 1.5 credits per session”

The committee recommends the following motion to be added to the SCSU Annual General Meeting on November 27, 2019

e. Boycott, Divestment and Sanctions

Motion

Hanbali

Whereas the Boycott, Divestment and Sanctions (BDS) movement is working to end international support for Israels oppression of Palestinians and pressure Israel to comply with international law;

Whereas the state of Israel is occupying and colonising Palestinian land, discriminating against Palestinian citizens of Israel and denying Palestinian refugees the right to return to their homes;

Whereas the BDS movement is inspired by the South African campaign to bring an end to Apartheid South Africa;

Whereas BDS is now a vibrant global movement made up of unions, academic associations, churches and grassroots movements across the world;

Whereas the Scarborough Campus Students’ Union first joined the BDS movement in 2013 at an Annual General Meeting and has been an active supporter of BDS initiatives on campus and in the broader community since;

Whereas this year under the current Executive Committee, members of the Executive have taken steps to undermine the Students’ Union’s stated position on the BDS movement and Israeli apartheid by: (1) displaying an Israeli flag inside the window Vice-President External, Chaman Bukhari’s office, and (2) removing Toronto Students for Justice in Palestine’s posters in the Student Centre that were meant to commemorate Nakba Day;

Be it resolved that, the Scarborough Campus Students’ Union reaffirm its commitment to the Boycott, Divestment and Sanctions (BDS) movement by committing to actively support initiatives that raise awareness about the state of Israel’s ongoing occupation of Palestine and war crimes against Palestinian peoples;

Be it further resolved that, the Scarborough Campus Students’ Union refrain from engaging with organizations or participating in events that further normalizes Israeli apartheid; and

Be it further resolved that the Scarborough Campus Students’ Union’s Board of Directors draft a policy resolution to endorse the BDS movement to ensure that future elected representatives and staff of the Students’ Union uphold our collective commitment to justice in Palestine; and
Be it further resolved that the policy resolution mentioned above be presented to the next Annual General Meeting for adoption.

The committee recommends the following motion to be added to the SCSU Annual General Meeting on November 27, 2019

e. Report to the President via. the Commissioner whom will be appointed by the committee.

The committee recommends the following motion to be added to the SCSU Annual General Meeting on November 27, 2019.

j. UTSC EWGs

Motion
Dang

Whereas, The Scarborough Campus Students’ Union has committed itself to adopting the Sustainability and Action Motion in April of the previous fiscal year,

Whereas, such motion stipulated that SCSU do the requisite research in implementing and adopting sustainability-focused goals and targets and aligning itself with environmental student societies and impactful environmental clubs on campus, along with creating the position of an independent environmental sustainability commissioner,

Whereas, such a motion affirmed by the highest decision making body of SCSU sets the direction of the union regardless of who is in office,

Whereas, such as a motion reminds every student that the SCSU represents that it believes that the climate crisis is not just real, but coming faster than ever,
Whereas, effects of climate change do not discriminate between any student,

Whereas, the SCSU must act in its mandate in protecting “equity in university life”,

Whereas, environmental issues have spiritual, academic, and career dimensions which relate to the mission statement principle of ensuring students have “meaningful opportunities for personal growth”,

Whereas no such work has been seen or done on campus since that motion was amended and passed in April 2019,

Be it Resolved that, SCSU join a permanent, independent, and arms-length working group on the environment,

Further resolved that, such a working group on the environment be composed of:

[2] Representatives from Regenesis UTSC
[1] Representative from UTERN at UTSC
[1] Representative from Enviro-Care UTSC
[1] Representative from Parks Canada UTSC
[2] Representative from the SCSU, with at least one representing the Board of Directors
[Any interested students]

Further resolved that, the Representatives from the SCSU are selected on the basis of Simple Majority vote at the earliest possible board meeting in the fiscal year,

Further resolved that, the working group shall have the responsibilities of:

- Fostering Equitable Environment, Sustainability, and Regeneration-focused research and action on the UTSC campus,
- Collaborating and strengthening each others’ event planning,
- Creating a united front of environment-related concerns for the wider UofT and non-UofT community,
- Strengthening the work that UTSC, as the entire campus, is doing to combat climate change,

Further resolved that, the working group shall be generally governed by the current edition of the Guide to Consensus Building by Lawrence Susskind, Jennifer Thomas Larmer, and Susan McKearnan, with exceptions made by the discretion of the chair of the working group,

Further resolved that, the chair of this working group be the UTSC UTERN representative,

Further resolved that, as chair of the working group, such a representative shall have the power to decide the date of meetings, the procedure and flow of meetings, and the preliminary agenda,
Further resolved that, the environmental working group does not need to report to board meetings, but minutes will be published on the utern.org website and the scsu.ca website,

The committee recommends the following motion to be added to the SCSU Annual General Meeting on November 27, 2019.

k. UTERN Representation

Motion
Dang

Whereas most levy groups are represented on the SCSU board but UTERN isn’t,

Resolved that, The UTSC UTERN or a representative of UTERN will be granted ex-officio status at the SCSU board effective immediately under By-law V Section 1.6,

The committee recommends the following motion to be added to the SCSU Annual General Meeting on November 27, 2019.

l. AODA

Motion
Dang

Whereas SCSU does not train its board of directors or others in the pillars of accessibility within the AODA,

Whereas the AODA only sets a bare minimum for accessibility in different ways and is undergoing a 2nd phase development,

Whereas SCSU representatives and front-line staff often meet students with different needs,

Resolved that, in public and accommodating consultation with Students for Barrier Free Access and other groups in the Toronto community and with students, the SCSU shall develop a modern universal and inclusive accessibility policy that includes a campus-specific training module and stringent accountability measures to achieve disability justice,

Further resolved that, that the SCSU commit to using all relevant resources at its disposable to ensure any elected official and front-line staff, part-time or full-time, be given continuous training and feedback on how they can improve,

Resolved that, the collective executive committee report back every general meeting to show what progress they have shown in creating a healthy and welcoming environment for students and persons with disabilities,
Further resolved that, the SCSU commit to researching, and consulting with any and all community partners with a stakeholder share in the conversation to develop feasible and ambitious targets for SCSU to become physically and electronically accessible by the end of 2025.

Resolved that, student mental health, sexual violence survivors, and other relevant conversations and intersections also be factored into the executive committee’s deliberations and considerations with community stakeholders,

The committee recommends the following motion to be added to the SCSU Annual General Meeting on November 27, 2019.

m. Transparency

Motion

Dang

Whereas SCSU executives and board of directors are in their 6th month of office,

Whereas students deserve more opportunities to know the progress of the work that SCSU executives are doing beyond the monthly board of directors’ meeting,

Whereas the livestream is often inaccessible for its length and quality,

Whereas the students represented by SCSU deserve better than no recent postings on the dates of board meetings,

Whereas it was executives this year who, before they became executives, talked up their transparency credentials,

Whereas the result is that, board packages at the time of this motion being written, have not been updated since July 2019,

Whereas the call for students to come to board meetings has not been posted on Facebook since September, except with an event created on the day of the board meeting in October’s case,

Whereas even live streams aren’t announced beforehand on all platforms, leading to students questioning the purpose of these inaccessible live streams,

Whereas this Annual General Meeting date is not published until the confirmation of the room,

Resolved that, the board of directors be tasked with developing a progress tracker on all the different ways executives are making their remuneration worth it,

Resolved that, the Vice President Operations post a 14-day, 7-day, and a day before reminder about the board meeting location, date, and time on all social media channels and the website,
Resolved that, board of directors [as excluding executives] strengthen their oversight role, by researching more to potentially form a permanent SCSU review committee, comprised of:

[1] Executive Director

[3] Board of Directors, elected from the board in secret ballot through Single Transferable Vote, excluding executives

[5] Members in Good Standing, who do not belong to a club, campus organization, university body, student society, or have close ties to any members of the board or staff, whose applications are collected by the Executive Director, and selected by the board using blind hiring practices, in secret ballot through Single Transferable Vote,

Further resolved that, if there is a conflict of interest, such a representative sitting on the committee shall refrain from showing up during the discovery phase, participating in debates, and deliberations of the committee,

Further resolved that, points and complaints made in good faith are to be submitted to at least the executive director, student members of the committee, and at least one director,

Further resolved that, the committee, by a simple majority vote, may decide to close proceedings to the public if there is sensitive information that is being discussed,

Further resolved that, committee proceedings until after all information has been gathered, will be kept confidential until consent between the person making the point and the entire committee are in alignment for release of information to prevent tampering,

Further resolved that, this committee may recommend to the Board appropriate remedies that it sees fit for the resolution of an urgent and substantial point through a simple majority vote within committee.

Further resolved that, this committee may issue time-bound guarantees for people who decide to raise an important point in good faith to protect them from any harassment and threats,

Further resolved that, this committee reserves the right to reject requests for investigations if initial deliberations find the point unsubstantiated in full, maliciously directed to an individual, or any other reason that it reports to the board after each meeting,

Further resolved that, the call for student members to participate in this committee shall go out during July of the fiscal year,
Further resolved that, the committee may decide on its internal procedures so long as they are in accordance with the rest of SCSU by-laws, policies, and principles,

Further resolved that, this committee may be given the special privilege to ask for witness statements and testimony in addition to any evidence related to the case based on a simple majority vote in committee,

Further resolved that, this committee should only meet if there are points to be raised by individuals, with exception to 2 scheduled reviews of board and executive members between October and March of the fiscal year as determined by this committee,

Resolved that, dates for the AGM and WGM be set no later than July each fiscal year,

The committee recommends the following motion not to be added to the SCSU Annual General Meeting on November 27, 2019.

n. Alternative Vote

Motion

Dang

Whereas, SCSU is committed to reshaping the socio-political and economic power for full student participation in life,

Whereas, SCSU uses a plurality of votes to elect candidates and that is not representative of ensuring complete reshaping that power,

Whereas, the instant-runoff ranked ballot system preserves single-member representatives without the need to add more representatives,

Whereas, students who see their candidate lose an election often feel isolated and unrepresented by whoever has won,

Resolved that, the next SCSU election and all subsequent elections be held with the Instant-runoff ranked ballot (Alternative ballot or preferential voting) voting system.

Further resolved that, if a candidate does not reach 5% of the total vote share in that position, the candidate is eliminated and their votes are redistributed according to their full list of preferences, or

Further resolved that, if three or more candidates do not win over 50% of the vote in the first run-off, the candidate with the fewest number of votes will be eliminated and their votes will be redistributed until a winner reaches passes 50% of the vote.

Further resolved that, if after three rounds of redistribution, there is no candidate that wins over 50% of the vote, a run-off election will be held in the following week.

The committee recommends the following motion not to be added to the SCSU Annual General Meeting on November 27, 2019.

   Whereas Scsu’s reputation and image is at stake due to one executive’s behaviour.

   Whereas it’s election time and it’s very timely and important despite that, to maintain a strong relationship with student groups.

   Be it resolved that Chaman address the executive team with an explanation of the events.

   Be it further resolved that Chaman issue a formal apology to the group affected.

      Motion
      Sahagian

      Whereas voting Directors of the Union hold the Union accountable and play an imperative role in maintaining the quality of the functions of the Union;

      Whereas offering a stipend would attract and/or maintain a high quality of Board of Directors, and also incentivize the Directors to attend as many of the Board meetings as possible;

   **B. AGM Quorum Act**

   Motion
   Sahagian
Whereas the purpose of the Union is to “organize students on a democratic, co-operative basis for advancing the interest of the UTSC student community” [Constitution, 2. b];

Whereas the purpose of the Union is to “bring students together to discuss and co-operatively achieve necessary educational, administrative and legislative progress wherever decision-making affects students” [Constitution, 2. d];

Whereas in the past, the Union has failed to conduct Annual General Meetings due to a lack of quorum and has, as a consequence, failed to fulfil its duties towards the students;

Be it resolved that every Director of the Union shall ensure that they represent twenty five unique students as proxy so that the Annual General Meeting quorum can be met at all meetings and all Annual General Meetings conducted as planned.

C. Electoral Equity Act

Motion

Sahagian

Whereas the purpose of the Union is to “work towards building an environment free of systemic societal oppression” [Constitution, 2. h]; and to “endeavour to bring about a fundamental redistribution of socio-political and economic power so as to permit substantially greater participation by students in making those decisions which affect their lives” [Constitution, 2. m]; and to “do all other things that are incidental or conducive to these purposes” [Constitution, 2. i];
Whereas the University of Toronto Scarborough is an evidently growing community of student leaders;

Whereas in this growing community of student leaders, the Union ought to provide a platform to as many future leaders as possible and allow them to take reins of the Union to demonstrate their vision for a better Union;

Whereas a purpose of the Union is to also “foster the intellectual growth and moral awareness of students in order to benefit them, the University of Toronto Scarborough Student Community, and society” [Constituion, 2. j];

Be it resolved that the Union immediately implement the “Executive Electoral Equity Act” as attached below (Annex I);

(Annex I) Executive Electoral Equity Act

1. A Director or Executive must hold a Term of Office or Term in Office for no more than one term for the duration of their undergraduate degree at the University of Toronto Scarborough.
   1.1 If the Director or Executive is elected in a by-election, then the term shall last until the ratification of a new Director or Executive for their position as per pre-existing norms according to the Unions Bylaws.

2. An Executive or Director who has held one Term in Office or currently holds office in the Union may not run for elections again with the exception of Directors running for office for the role of Executives within the Union.

3. The above clauses also extend to those Directors or Executives who may be hired rather than elected.

Moved: Mohamed
Seconded: Ohri

D. Electoral Equity for International Students Act

Motion

Sahagian

Whereas the purpose of the Union is to “work towards building an environment free of systemic societal oppression” [Constitution, 2. h]; and to “endeavour to bring about a fundamental redistribution of socio-political and economic power so as to permit substantially greater participation by students in making those decisions which affect their lives” [Constitution, 2. m]; and to “do all other things that are incidental or conducive to these purposes” [Constitution, 2. i];
Whereas the University of Toronto Scarborough is an evidently growing community of student leaders;

Whereas in this growing community of student leaders, the Union ought to provide a platform to as many future leaders as possible and allow them to take reins of the Union to demonstrate their vision for a better Union;

Whereas a purpose of the Union is also to “foster the intellectual growth and moral awareness of students in order to benefit them, the University of Toronto Scarborough Student Community, and society” [Constitution, 2. j];

Whereas international students are subject to the same levy structure by the Union as domestic students yet are prevented from running for Executive positions for the Union due to the nature of the Union’s Bylaws on ineligibility, which prevent anyone holding an Executive position from taking more than 1.0 credits per semester

Whereas international students must take a minimum course load of 1.5 credits to maintain their student status in Canada;

Be it resolved that the Union immediately implement the Electoral Equity for International Students Act as attached (Annex I);

Be it resolved that Bylaw XI – 2.2 (a), under “Ineligibility” be amended from “An Executive of the Union shall cease to be eligible to remain in such office if the Executive: enrolls in more than 1.0 credits per session” to read “an Executive of the Union shall cease to be eligible to remain in such office if the Executive: enrolls in more than 1.5 credits per session”

Moved: Mohamed  Seconded: Sahagian

Be it resolved that the SCSU Policy and By-laws committee recommends the 2019-2020 SCSU Board of Directors to add the following motion to the 2019 Annual General Meeting agenda.
