Universal Pass Policy
In light of COVID-19, many colleges and universities across Canada & the United States have taken a stance behind pass/fail policies [at UofT specifically, unlimited CR/NCR] in order to accommodate learning in the wake of a public health crisis. Over the course of the final months of the Winter 2020 semester, the VP AUA, along with student leaders, have been developing a letter and online tools to support a Universal Pass Policy. The VP AUA is currently discussing the feasibility of a Universal Pass Policy at the University of Toronto Scarborough, and is looking into the likelihood of passing such a policy specifically for the Winter 2020 semester. Further, the VP AUA is looking at different models for this approach and how it may be implemented at UTSC. For more information, please contact Lubaba at academics@scsu.ca.

Tuition Campaign
Online learning has presented many challenges, technical difficulties, and gaps in the quality of our education. With sudden changes to our education systems that result in missing information or a lack of support through the semester, students continue to pay fees for resources they may not necessarily be accessing. Additionally, many international students may exorbitant fees that are not regulated the same way as domestic students are. The VP AUA, along with the SCSU President and other executives, are current developing a campaign to address these issues. For more information, please contact Lubaba at academics@scsu.ca.

DSA Updates
The VP AUA is currently reviewing DSA feedback to introduce new methods of increasing DSA presence in the UTSC community. In light of DSA feedback, the VP AUA is revising any changes that can be made to SCSU’s relationship and past support for DSAs and exploring any improvements that can be made. With the current COVID climate, remote programming is a priority of the VP AUA and she is currently exploring ways to best support DSAs with remote working. For more information, please contact Lubaba at academics@scsu.ca.

REFRESH is a week-long event composed of online workshops, classes, and mindfulness practices that allow students to gain tools to managing their well-being in light of the current public health crisis. The intention for this event consists
of student-led workshops presented by clubs and student organizations, ranging from yoga sessions, to cooking classes, to CESB information sessions, and more. REFRESH is continuously being developed at this time. For more information, please contact Lubaba at academics@scsu.ca.

Events & Programming

Orientation Planning
On May 7th, Campus Life and the President had a meeting with UTSC orientation committee (O&T Department). In the meeting Campuslife and President discussed what it might look like as well as some of the differences between how Frosh was in previous years and what we want to change for this year due to the ongoing pandemic. The key notes from the meeting are considering a semi-live video streaming format, utilizing alternative time that better fit in first years’ school schedules and making the orientation cost less, even free, for first years. For more information, please contact TJ at campuslife@scsu.ca.
